

End-to-end digital product designer and researcher with 11+ years of experience, working in a full-stack designer role, focusing on the core web, mobile and desktop product experiences.

EXPERIENCE

Lead Product Designer2020 - Present

APIMatic.io • Islamabad, Pakistan

Leading the design & marketing team while enhancing developer experience in API space.

Produced end-to-end UX of Developer Experience Portal product which is serving developers and enterprise clients from more than 178 countries.

Worked closely with product team and produced user flows, user journey, wireframes and high fidelity mockups for Analytics Dashboard, API Editor, DX Portal, SDK Widget and Code Validator.

Senior Product Designer2021 - 2022

Atlas Dex • Remote (Part Time/Contractual)

Designed end-to-end product as cross-chain router connecting major blockchains including UX/UI starting from the design system to the finished product. This supports all the cryptocurrency trading flows like Swap, Staking, Pools, Farms and Bridge.

Senior UX Designer2017 - 2020

Synergy-IT • Islamabad, Pakistan

Led the end-to-end user experience and interface design for SpeakIO recruiting product which optimizes screening and hiring process efficiently.

Implemented and created a design system for mobile app product "CubiVue" which translates information architecture, navigation and process flows into easy-to-use solutions.

Produced user flows, user journey, prototype, wireframes, pixel-perfect mockups and front-end HTML markup that contributed to user-centered design (UCD) experiences for dozens of enterprise web portals and mobile apps in a fast-paced agile environment.

Worked closely with developers to implement shared components for Angular-based SaaS web applications and also collaborated with other team members and stakeholders to lead design and UX journey.

● Apps Design Specialist2015 - 2017

Ibex Solutions (EarthFactor Pvt. Ltd) • Islamabad, Pakistan

Led the user experience and interface design for the mobile apps (Android, iOS) & web including front-end HTML markup and ensured that the UI design meets the intended UX goals.

Worked with marketing team to produced pixel perfect mobile apps and web services for multiple telecom operators around the globe. Also authored creative strategy briefs and supervised development of branding.

● Assistant Manager (UI/UX)2014 - 2015

Produced interface design for the mobile apps (Android, iOS) & web including front-end HTML markup for different telecom services including local and international operators.

Worked closely with product team on multiple app products e.g. distribution, calling and power tools for multiple telecom operators. Created complete concept design documents, wireframes & mockup standards for web and mobile application products in an agile environment.

UI Artist
